Kingdom Builders

2026-2027 Project Guide

What Is Kingdom Builders?

ICA has a long history of supporting missions and sending out missionaries. God has given us a vision to reach Thailand and the world with the Gospel of Jesus Christ. We want to help people understand that God has called THEM to live on-mission in their local, national, and global world. Kingdom Builders is how each of us can put our hand to the plow and be involved in changing lives every day.

This year, as a part of Kingdom Builders, we are focusing on projects in which everyone has the opportunity to participate in. Our goal is to provide ways for you to connect your heart to the call of God on your life and help you fulfill your purpose in the Great Commission.

How, then, can they call on the One they have not believed in? And how can they believe in the One of Whom they have not heard? And how can they hear without someone preaching to them? And how can anyone preach unless they are sent? As it is written:

"How beautiful are the feet
of those who bring good news!"

Romans 10:14-15

The Mandate

"Go into all the world and preach the Good News to everyone."
Mark 16:15

The mandate isn't to sit, watch, or wait for someone else to go. The Bible tells us it's our responsibility to GO show the love of God to others. To be a part of a mission - His mission.

The Mission

"You will be my witnesses in Jerusalem (local), Judea and Samaria (national), and to the ends of the earth (global)."
Acts 1:8

YOU are responsible for the mission to GO and LIVE the Gospel message to your family, friends, and coworkers. God invites YOU to be a part of this GREAT redemption story.

The Method

Following the pattern established in Acts 1:8, we divide the vision to reach our world into three practical components: Local, National, and Global. Our goal is connect your heart and provide hands-on opportunities at all three levels.

**Declare His glory

KB local

To reach our community, we must be in the community.

In order to reach the lost and broken with the Gospel, we must be aware and reflective of the community's needs around us. We must go and meet them where they are, just as Jesus came to us.

As I have loved you, so you must love one another.

John 13:34

Homeless Ministry Meals

฿260,000

Each week, ICA feeds hundreds of homeless people in our community. While there, we are able to pray with them and share the message of Jesus. When you give to Kingdom Builders, you are providing the meals to feed our community and opening an avenue for them to receive spiritual nourishment as well!

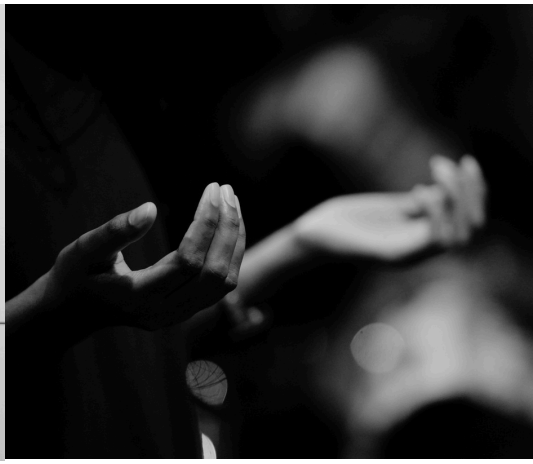

Prison + Juvenile Ministry

฿100,000

Every month, ICA teams bring the hope of Jesus into prisons across Bangkok, Korat, and Surat Thani - including juvenile facilities. Through worship, Bible teaching, and personal prayer, we see lives transformed and hearts restored behind prison walls. When you give to Kingdom Builders, you help provide transportation, discipleship materials, and care packages that make it possible to reach those the world often forgets with the life-changing message of Christ.

Compassion Ministry

฿275,000

Every week, ICA meets urgent needs in our communities of Bangkok, Korat, Surat Thani, and Koh Samui. Families come to us facing emergencies - medical bills they can't afford or food they don't have. When you give to Kingdom Builders, you help provide relief in these critical moments and open the door for people to experience the tangible love of Jesus when they need it most.

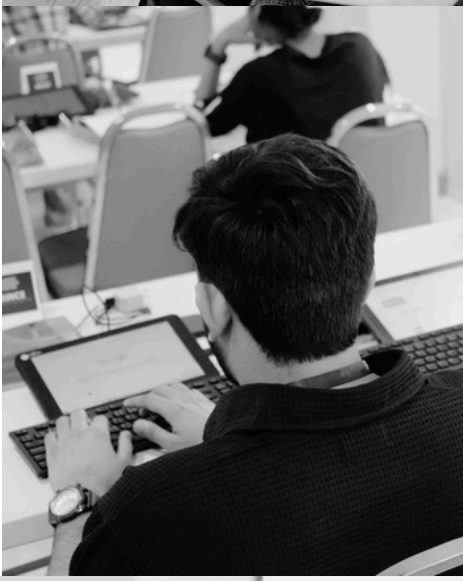

Banner Language & Learning Center

฿150,000

Many children in our community have little to no access to quality education, leaving them vulnerable and without opportunities for a brighter future. The Banner Language & Learning Center will help change that by providing a safe space for learning and long-term support for kids who need it most. When you give to Kingdom Builders, you help launch this life-giving ministry - covering curriculum, supplies, and resources to equip children with both education and the hope of Jesus.

ICA Youth Camp 2027

฿200,000

Each year, ICA youth get the chance to step away from the busyness of life and spend several days encountering God in a powerful way. These camps are often life-changing: confirming callings, deepening faith, and allowing the Holy Spirit to build a strong foundation in their lives. When you give to Kingdom Builders, you help cover facility costs, speakers, and activites so students only need to pay for transportation and meals. Your support makes these catalytic moments possible for our next generation!

ICA Kids Camp 2027

฿75,000

Every year, ICA hosts a Kids Camp at our Bangkok campus to give children a dedicated space to encounter the presence and power of Jesus! Your Kingdom Builders giving helps cover curriculum, activities, snacks, and supplies, making this life-changing week affordable for families.

DINT
Domestic Internship 2027

฿75,000

Our Domestic Internship program, or DINT, is a special opportunity for Youth and Young Adults who live locally to get plugged in and serve at ICA during the week. They serve in almost every area of ministry while learning and growing in Christ. During their internship, there is an emphasis on personal mentorship with our leaders and connection with one another. The goal of the program is to grow our young people into the leaders of tomorrow and love them along the way. Kingdom Builders supports this goal by covering transportation, meals, and work travel for the interns during their internship.

Sealed.Life + Sealed Kids Club

฿250,000

Sealed.Life, part of ICA, is dedicated to combating human trafficking. On the first and third Saturdays, from 10 am-11:30 am, we pray in the Red Light of Pat Pong Night Market. Once a month, we also minister to adults involved in trafficking. With support from Kingdom Builders, we have been focusing on Sealed Kids Club - a children's outreach for the children whose parents work at the Pat Pong Night Market and are at risk of trafficking. This program has grown and is such a special part of our ministry.

ICA - Surat Thani

฿50,000

ICA Surat Thani is the first daughter church of ICA Bangkok; it currently gathers at Daniel International School, offering a fantastic setting for believers to unite in worship. The funds from this year's Kingdom Builders will help support ministries and outreaches through ICA Surat Thani Church. The church has grown so much in the last few years, and we are so amazed at all God has done through this amazing church plant!

ICA Korat

฿150,000

ICA Korat just celebrated its second anniversary and is going strong! Korat (Nakhon Ratchasima) is the second-largest province in Thailand by population and the largest by land area. There is such a need for an English-speaking international church here. Kingdom Builders' support will help ICA Korat grow from two services a month to weekly services in 2027.

ICA Koh Samui

฿150,000

Our newest church plant, ICA Koh Samui was started in November of 2025 and God is moving! Koh Samui is a popular tourist destination, and local English-speaking residents were looking for a strong International church. Kingdom Builders' support will pour into church growth and local needs in Koh Samui.

ICA Kids & Youth Missions Challenge

Each year, ICA Kids and ICA Youth take on special Kingdom Builders projects that teach the joy of generosity and making a difference. This year, both groups will focus on outreach in an unreached nation through one of our ministry partners. ICA Kids will provide ministry supplies, and ICA Youth will provide sports equipment - both helping launch a new outreach in a sensitive country.

Through their giving, our kids and students will see how their generosity makes a real impact, fueling a sports and ministry outreach that shares God's love in practical ways, bringing hope, and showing that they can be part of changing lives around the world.

How Do I Get Involved?

It's our desire for every person at ICA to shift from being a missions donor to being a missions owner. A donor will give, but an owner will GO. We want Kingdom Builders to get into our hearts and change the way we view our life mission. Here's what we're asking everyone to consider:

PRAY

GIVE

GO

PRAY

Simply the most important thing that we do is partner with God in prayer. Prayer not only changes our circumstances, but it also changes us, and positions our giving and going to be aligned with the move of the Holy Spirit.

Use this booklet as a way to begin praying for these projects throughout the year. And if you have the chance to GO and take part in these projects, you will have a larger heart and know how to specifically pray for these projects.

GIVE

Each of us understands that projects need funding to operate. That's what makes Kingdom Builders such an effective giving model! We are better together, and our combined giving makes a BIGGER impact.

Not sure how to start giving? Generous giving involves sacrifice. We would like to encourage you to consider an amount that you would feel comfortable giving each month. . . and then go just a little beyond that. Why? Because we want to bring before our God a beautiful sacrifice, and we challenge each other to give in a way that stretches our faith.

Here is what we challenge you to do:

1. Invest 1 hour's pay per month to support Kingdom Builders.
   (If you earn ฿150 per hour, give ฿150 per month = ฿1,800 per year.)

2. Invest 1 day's pay per year (8 hours) in September towards our ONE DAY - MIRACLE offering.
   (If you earn ฿150 per hour, 8 hours X ฿150 per hour = ฿1,200.)

It doesn't matter if you make ฿100 per hour or ฿400 per hour. Kingdom Builders isn't about equal giving, it's about equal sacrifice.

GO

Serving together for a greater purpose is one of our favorite things that we get to do!

We are always praying about new ways to serve together in Bangkok, somewhere in Thailand, or even outside of Thailand.

Keep your ears open for opportunities that arise throughout the year! You won't regret serving the Lord together.

Then I heard
the voice of the Lord saying,
"Whom shall I send?
And who will go for us?"

And I said,
"Here am I. Send me!"
